

# Shaping the Future Together

## Collaborative Future Workshop on Smart Mobility

- coffee 09:00 Welcome, Introductions
- 09:20 Technology transfer: What constitutes disruptive innovations? How must promising ecosystems be designed? Introduction to the topic
- 09:45 The Future Workshop as a method for bringing together different perspectives Explanation of the individual phases
- 09:55 Criticism phase: Where are the pain points, the biggest obstacles, the biggest problems? What urgently needs to change? Collect and cluster
- 10:25 Select topics and form teams to work on these individual topics
- 10:35 Creativity phase: brainstorming, co-creatively sharing and developing the ideas in the team, evaluating and selecting
- 11:05 Future scenario: Each team develops a concrete future scenario on a topic: What will the world look like when the problem is solved? What exactly is the benefit, what will be overcome? Where does the potential lie?
- 11:45 Presentation of the future scenarios
- 12:15 Plan next steps: Which scenarios have the greatest potential? What can we implement now? Who do we need to involve? Specifically: Who will do what by when, when will we evaluate?
- 12:45 Feedback and evaluation of the future workshop
- 13:00 Conclusion of the event
